

## Matrix Contained by Bobby McMahan - Video DOWNLOAD

"A classic plot given a "fresh" new look and feel with a killer final phase and best of all, it's simple to do! This WILL be going in my pocket!"

**- Jester Styles**

Matrix contained is a anytime anywhere matrix effect that is self contained inside a gum pack.

no need for a close up mat, perform it anywhere

no more need to hunt down or carry along bottle caps, coins, or dice

hand out the box and even let the spectator have a piece of the gum

conveniently save space by having everything you need in one pack

simple handling

vanish the last piece right from their hand
