

ENGAGED by Arnel Renegado - Video DOWNLOAD

A unique and visual linking and moving pips

Amazing, make pips link onto a rubber band, Spectator select a card and you punch a hole on that card, you then ask your spectator to get a rubber band from your wrist and tear it, you insert it into the hole, spectator holds the rubber band and visually by pulling the card the pips vanish from the card and now links onto the rubber band

IMPOSSIBLE SOUVENIR

HAND THE RUBBER BAND FOR EXAMINATION

IMMEDIATELY HAND THE CARD FOR EXAMINATION
