Learn how to remember Jokes, Songs, Scripts, Sales Presentations, Wedding Speeches and other detailed information in an amazingly simple and pleasurable manner. These are invaluable skills for any Actor, Comedian, Entertainer, Singer, Business Person and in fact any human being on the planet who desires to get more done in less time, with greater ease and accuracy and in a way that makes you feel confident and competent in all you do

You'll discover how to use these memory techniques to learn to play the Piano in half the usual time and how to teach others to do this even if you have no musical skill or aptitude yourself.

We'll explain how to use the methods to rapidly learn any foreign language with the greatest of ease enabling you to save a fortune on expensive language courses and dramatically reduce the time it takes to learn into the bargain.

In fact numerous Techniques For Memory Systems to suit every individual such as yourself and every memory need possible are taught in this course including amongst many others the The Alphabet, Rhyming, Conventional Link, Peg & Journey Systems.

You'll learn methods which can even give you the upper hand in Card Games such as Poker, Black Jack and Pontoon amongst others.

In fact, in truth, the tried, tested and proven to work approaches you will learn are of invaluable use in each and every area of your everyday personal and working life!

Jealously guarded memory secrets such as The Lazy Mans Way to remember the order of a complete deck of playing cards to amaze your friends

You'll learn numerous Maths Magic Tricks enabling you to calculate square roots & cube roots in your head quicker than most people can do them on a calculator

You'll be able to square numbers and cube numbers in your head in seconds and even do several other "super human" looking lightning calculation feats quicker than most other people

You'll be able to tell anybody what the day of the week was for any date in history or for any date in the future by mentally calculating it quicker than they can check on a calendar

You'll learn some amazing mind blowing "Rapid Calculation" and memory feats using an ordinary every day calendar which will truly establish your credentials as a memory expert

Learn how to verbally recite or write down the alphabet backwards quicker than most people are able to do it forwards!

Amaze your friends and audiences as you mentally calculate and write down within seconds, a four by four Magic Square whereby the numbers in the four by four grid add up to any number freely chosen by a volunteer in over 24+ different directions and ways - THIS IS A TRUE REPUTATION MAKER

Also discover how to calculate (within seconds) and write out (within seconds) a five by five Magic Square whereby all directions add up to any number freely chosen by a volunteer

EXPOSED: THE KNIGHT'S TOUR

The "Knight's Tour" is an ancient chess puzzle in which the object is to move a knight, starting from any square on a chessboard, to every other square, landing on each square only once, making only legal moves and ending up back at the original square where you started. A legal move for the knight is shaped like an L. Up or down two squares and over one square. We teach you how to do this every time starting from any square freely chosen by an audience member and always AMAZING your audiences as you end up back where you started without

ever landing on the same square twice, indeed this demonstration is so POWERFUL and such a good REPUTATION MAKER that we have included several methods and ideas for its usage.

We reveal ways to apparently remember the contents of an entire book or magazine in seconds and then prove that you have done this to your audience thus creating huge applause for your expert memory.

Also you'll learn the easiest way to remember a list of thirty (30) random objects called out by the audience whereby you are able to remember the whole list in seconds and then recall them from start to finish with ease.

What's more, you then further amaze the audience by calling the list out backwards, then just calling out all the odd numbered objects or even numbered objects forwards or backwards, the audience can even call out any number on the list and you instantly recall what object is there or they can call out an object and you instantly tell them what number its at. THIS FEAT ALONE HAS MADE MANY MEMORY EXPERTS WORD FAMOUS and best of all its far, far easier to do than you would imagine!

Also as a Special FREE BONUS you'll get the written course notes revealing Royle's simple memory methods enabling you to learn how to remember the meanings of the 78 Tarot Cards, how to remember the fortune telling meanings of the 52 playing cards, memory system for simple Numerology Readings and for Palmistry and the easy way to look like an Astrology expert.

Please note however, these particular methods are taught in print only, for the video training of this you will want to buy our "Psychic Secrets Exposed" Home Study Training Course. These notes however are enough to start earning BIG MONEY with these new skills.

So between the various videos and the course manuals you will learn everything you need to know to perform a complete entertaining Stage Show of Expert Memory Demonstrations which could earn you a fortune!

You can get this SUPER POWER MEMORY SET right this very minute!

YOU ALSO GET A READY MADE BUSINESS

Not only will you learn everything mentioned above and so many more valuable secrets, ploys, methods and techniques that there is neither space or time to mention here, but also you'll get "Duplication and Resale Rights" to our unique MEMORY TRAINING SEMINAR COURSE NOTES & TRAINING MANUAL.

This allows you to duplicate in printed hard copy form only the course notes supplied and allows you to either sell or give these to those who attend the Memory Training Seminars which you could start running yourself after you have studied this unique course.

We'll even teach you how to generate more clients for your other services as a NLP'er, Clinical Hypnotherapist and Hypnosis Consultant.

Whether it's for business, personal, entertainment or seduction purposes YOU WILL BENEFIT GREATLY from studying these information packed videos and the accompanying training manuals.
