

H&R by Dan Alex - ebook DOWNLOAD

Hey guys this is another crazy and smart trick from Dan Alex's mind that will make all crazy!

The magician shows a normal playing card and asks one of her spectators to examine the card and then sign it.

Shortly after the magician says to pierce it with a hole puncher.

In fact punctured it on a corner and reassembles shortly after.

What should I say more?
Simple, smart and cheap!

This is H&R (Holed and restored).
