

Soldier's Prayerbook by Devin Knight - eBook DOWNLOAD

This is an oldie but goodie, it helps solve a problem with certain church shows. Devin has often got phone calls from church groups asking for a magic show, but to not bring playing cards because the church frowns upon them as being sinful. Here is an effective and proven way to use playing cards in church groups that think cards are based on gambling and are of the devil. Yes, these people still exist today and this treatise gives an effective way to overcome this belief. Devin was raised in a household that forbid playing cards, but he used the technique in this e-book to change his family's mind about cards. It worked for him, it may work for you.
