

## Alter by Kelvin Chow & Lost Art Magic - Video DOWNLOAD

Kelvin is an underground sensation in card magic. His magic is so prolific that it has found its way into the repertoires of award-winning performers such as *The Illusionist Star*, Yu Ho Jin. Kelvin recently performed for over 2 billion people at China's 2015 New Year's Spring Festival on CCTV. Needless to say, when Kelvin performs, people listen.

Kelvin has created another brilliant masterpiece with this new and breathtaking color change. Over the years, the move utilized in this change has been deemed too difficult and intimidating, so many have not been able to explore the unlimited possibilities and applications involved with it. Now, through crystal-clear instructions and multiple camera angles, Kelvin demystifies the move and will thoroughly teach you the most visually striking application to date. It's time to ALTER!

- *No Gimmicks. Pure Sleight of Hand.*
