

Misbehavin' by Kainoa Harbottle & Lost Art Magic - Video DOWNLOAD

Excellent magic takes moments to perform, but years to perfect. Lost Art has convinced the 'Big Kahuna Of Coins' himself, Kainoa Harbottle, to share his anytime, anywhere masterpiece: "Misbehavin". This multi-phase routine is a dazzling display of artistry and impossibility where coins seem to appear and vanish right under the spectator's nose. Kainoa teaches multiple handlings that will amaze you with their mixture of simplicity and complexity, providing different sequences you can customize to suit your level of awesomeness. Put down the cards, pick up the coins, and join The Revolution Of Coinistry that is "Misbehavin".
