

At the Table Live Lecture Spidey July 1 2015 video DOWNLOAD

Mentalist, Hypnotist, Magician and all around creative genius Spidey stops in for his very first and exclusive Live Lecture! Come see some never before taught effects by one of the hardest working and busiest performers today! Besides his countless releases in the magic community (Scar, Spectre, Psycho etc...) he's been busy appearing on national TV from the Finals on Tru TV's Fake-off to Penn & Teller's Fool us! Join us as we talk about everything from stage mentalism to close-up miracles, you won't want to miss it!
