

Harada Hold by Daiki Harahada - Video DOWNLOAD

The **HARADA HOLD** allows you to open both hands while hiding a coin.

- You do not need a gimmick.
- You can use a borrowed coin.

This movie explains the method and basis of the technique with english subtitles and 17 applications.

"When I first saw the Harada Hold demonstrated. I was certain it was a thread or magnet or holdout or sticky tape. But, unbelievably, it is pure sleight of hand that you can do anywhere at any time!" -Dan Garrett

"HARADA HOLD gave me impression and the impact when I started the Magic. It is comparatively strong in the angle, and the range of the application is also wide. To be wonderful in above all is to look natural. I am proud of the creation of the Japanese of this technique." -Yoshihiko Mutobe

"Outstanding! In all my 50 years in magic, I have never seen this coin sleight!" -Joe Stevens

Featured performers are: Daiki Harada, Kenji Yata and Ginjiro.

Run Time: Approximately 45 minutes.
