

## **Chris Lee Comedy Hypnotist Presents Five Funny Hypnosis Shows by Jonathan Royle - Video DOWNLOAD**

Comedy Stage Hypnotist Chris Lee - 5 Live Shows

The old Saying of "Monkey See - Monkey Do" is very true when it comes to becoming a Stage Hypnotist.

Basically speaking if you said the same things as Chris Lee, a student of Jonathan Royle Says in these videos and did the same things in the same way then just so long as you acted confidently enough you would get pretty similar results.

Therefore these are excellent videos to learn Comedy Stage Hypnotism and Street Hypnosis Techniques from.

A selection of titles, all recorded as Chris Lee performs his unique and hilarious adults only style Comedy Stage Hypnotist shows.

A truly nice guy...

These titles are both hilarious and extremely educational to inspire the viewer to become a successful confident and competent Stage Hypnotist as you keep in mind the fact that Chris Lee was originally taught by Jonathan Royle.

You can either use these to copy as your template for success on stage, or just sit back and be entertained.

You even have the opportunity to obtain the full Stage Hypnosis written training course which Chris originally used and still refers to today.

### **Chris Lee Live & Outrageous**

Filmed live at a University Students Union event. As you watch this unedited footage you will discover why Chris Lee has rapidly established himself as one of the funniest, most original and busiest Comedy Stage Hypnotists in England.

You'll see Chris perform the Jewish Circumcision routine, the Handshake Orgasm, the X-Ray Spectacles and the Great Balls of Fire routines, which will

have you crying with laughter.

What's more you'll see how an experienced performer and ex-student of Jonathan Royle is able to get the audience into the palm of their hand and have them literally begging for more as his show comes to an end with a standing ovation.

Chris Lee starts where other boring stuck in the past Hypnotists end and that's why he commands such a busy schedule today. You can learn an awful lot from watching Chris Lee at work on this amazing video.

## **Chris Lee Returns**

Following the huge success of the live show which was filmed to make "Live & Outrageous" Chris Lee was begged back to the same venue in just a matter of weeks!

This video captures his hilarious return visit and shows that on his "Second Coming" Chris Lee is even more outrageous than the first time using new and unique hilarious routines.

## **The Mesmeriser**

On this video you'll see Chris Lee performing at a Working Men's Club style venue where the audience are mainly made up of the older generation, and as such a totally different approach is called for.

Watched in conjunction with Chris Lee's other videos you'll see how he adapts his show to suit every style of venue and audience age group.

Once again this video contains a bundle of amusing routines many of which have never been released in a Hypnosis show before.

## **No Trance**

Filmed at a nightclub style venue, on this video you will see Chris Lee using every trick in the book to make his show a success.

Under the most awkward performing conditions imaginable and to an audience

more interested in talking to each other than either watching or participating in a Hypnotic show, Chris finally turns things in his favor!

You'll see how a true professional gets the audience to shut up and watch and how he gets people to take things seriously, volunteer and actually end up in trance before responding to his numerous hilarious adult style Hypnotic routines.

Once in a while every Stage Hypnotist encounters a venue and audience like this and by watching this video you'll learn exactly what to do and how to handle it when it happens to you.
