INTRODUCE YOUR BUSINESS CARDS OR CREDIT CARDS IN A FUN NEW WAY.

EMERGE - Your Business Card / Credit Card or a Playing Card eerily emerges out of the inside compartment.

One time setup and you are good to go for hundreds of performances. The speed is completely under your control. Resets Instantly.

CARD DART - Your Business Card / Credit Card jumps out of wallet
Even for the laziest person set-up will takes less than 10 seconds

Works with any regular bi-fold wallet. You can keep all your stuff in there and still perform these.

Also included in the explanation is CARD DART II which is an impromptu take on it's earlier version.
