

Open Coins Across (excerpt from Flip It) by Dean Dill - video DOWNLOAD

Originally from *Flip It by Dean Dill*

Performance and Explanation of Open Coins Across.

Dean Dill's interpretation on the Open Hands Coins Across: Three coins visibly vanish from one palm-up open hand and appear in the other.

Includes an additional ending where the last coin appears in the closed hand of the spectator!

This download also covers Dean's work on handling the Gravity Flipper gimmick.
