

4-2-2 (excerpt from 3-Dean Trilogy) by Dean Dill - video DOWNLOAD

Excerpt from *3-Dean Trilogy* by Dean Dill

Performance and Explanation of 4-2-2.

Four half dollars disappear from under four playing cards and magically appear with a surprise ending. This is Dean's version of David Neighbor's "Vanishing Matrix" but with a new ending and a devious handling. This will delight you with the handling and fool your audience. Also includes some advice on making your magic stronger.
