

Complexion by Kyle Purnell - Video DOWNLOAD

Complexion is a perfect opener for any close-up card set. Instantaneously transform the color of your deck AND box, and end with a completely ORDINARY deck of cards, with no cards to ditch. You will love the elegance and reliability of the gimmick! Throughout the 30 minute explanation, you will learn how to construct your own gimmick, as well as learn how to handle it to make it imperceptibly deceptive. Open your act with this eye-popping visual magic! This is COMPLEXION. (DISCLAIMER: an additional item is needed to construct the COMPLEXION gimmick. It costs around \$1.00 (plus shipping), and is easy to find online. Kyle gives directions regarding how to access this item.)
