Class 1 by ZiHu Team - Video DOWNLOAD

Something that definitely makes you stand out in your classroom.

One of the newest projects from the ZiHu Team. They call this series "CLASS Project". This is the ZiHu Team's effort to bring to everyone magic tricks that are very practical, easy to perform and fully examine. You can use it for street performances or simply make yourself stand out in your classroom.

The CLASS 1 is a small game of the students in Vietnam. With the same idea it has been transformed into a magic trick. You borrow a pen and then surprise everyone, everything can be examined and is so easy to perform. The following is some information you need to know:

- Anytime, anywhere.
- Gimmick extremely easy (no magnet, no tape, no invisible thread), takes about 30 seconds to create.
- No need to practice, performs easily.
- Working with borrowed pen
- Absolutely can check immediately.
- 14-minute instructional HD-Video and the pdf file is attached.
