Effect

Here is five minutes of hilarious audience-tested comedy mentalism. Words don't do this triple prediction effect justice. This is the opener from Danny's comedy mentalism act and it never fails to get huge laughs.

It's an update of the old baby gag but with a lot more laughs. You get everything you need in the eBook, three full color predictions, instructions and most importantly, all the patter lines.

You'll be glad that Danny decided not to HOG this routine for himself!
