

Sly Scarves (Scarves NOT Included) by Tony Clark - DOWNLOAD

Tony Clark will demonstrate the Single Knot Release, the Double and Triple Knot Release, as well as the Multiplying Knots. This powerful routine is explained in easy step-by-step instructions. You have a choice of front view, rear view, and split view! Plus the Flying Knot routine! This is a beautiful effect where two scarves are tied together and placed inside a wine glass. Then two loose scarves are placed into a second wine glass. With a wave of the hands, magically the scarves that were tied are now separate and the loose scarves in the other glass are now tied! Gimmicks to perform this routine are included!

Bonus Section:

Be a fly on the wall during a jam session with Tony Clark and Jonathan Neal Brown as they discuss variations on techniques and presentations of the Sly Scarves. You will also learn The Ghost Knot and Tony Clark's Scarf Through Arm!

Extra Bonus!!:

Rare vintage footage of the Master Slydini!

On a side note...

I hear there's an interesting segment hidden somewhere on the video! I'm not sure what it's all about. I'm not even sure I was supposed to mention it! Too late!
