

## Timing Is Everything by Tony Clark - DOWNLOAD

For World Class magician Tony Clark, being the last student of the Master Slydini for over two years was not only an extraordinary learning experience, but also a lifesaving event. On a live-formatted lecture, theatrically filmed in Hollywood, California, Tony shares his experiences with Slydini. He demonstrates and explains beautiful effects and routines with constant emphasis on timing, misdirection, and off-beat principles as taught to him by Slydini. Tony feels these priceless tools and techniques are sure to enhance your close-up, stand-up, or stage routines.
