

Mesmerism, Hypnosis & Suggestive Therapeutics (37 Rare & Out of Print Books) Compiled By: Jonathan Royle - eBook

As many of you who have previously studied materials by Hypnotist Dr. Jonathan Royle will already know, he has stated on many occasions that there is absolutely nothing "new" in the World of Hypnotherapy, Stage Hypnosis, Street Hypnotism, NLP and related areas.

Indeed Royle is well known for advising his students to study old (now out of print) rare books on Mesmerism and Suggestive Therapeutics as Hypnotherapy was previously called.

In that regards Royle has collected together 37 of the most information packed and eye opening books of the past that will educate and entertain you beyond your wildest expectations.

You will receive an interesting mix of books on Hypnotism covering a fantastic array of subjects: Hypnotism and hypnotic suggestion, mesmerism, mind-reading and spiritualism, and much more!

These are not paper-white copies of e-books, some of these titles are 100-150 years old, and these pdf's are scans of the original books.

All these titles are long out of print, and have been scanned by various organizations around the globe. All these books are scans of the original books from Library collections (and 100 years old), therefore, you might get marks, scratches, some text written on it (usually pencil), all sort of things which were done to the books by the Public in the library during the last 100 years. 99% of the pages & illustrations/drawings are intact.

This is a great resource for your personal interest or historical research. All 37 files are in PDF format, organized in alphabetical order in 1 folder. Titles on the DVD are shorter than original in the listing (containing mainly the title + year, no subtitle), but you can match them easily with our listing.

You will need a PDF reader like Adobe Reader (freely available on the internet).
