

## **Hypnotherapy Audios Back of the Room & Mail Order Profits Package for Psychic Entertainers, Hypnotists & Magicians! by Jonathan Royle - Mixed Media DOWNLOAD**

**(43 Recordings With Legal Resale Rights & Bonus Items!)**

In This Product, You Will Have Access To an amazing package of Forty Three (43) Professionally Scripted, Produced and Recorded Audio MP3 Hypnotherapy Treatment Recordings.

You will also be supplied with what many of the Worlds Leading Hypnosis Experts have dubbed "The Most Powerful, Effective and Versatile" Hypnotherapy Treatment Script ever devised.

Not only will you get Legal Resale and Distribution Rights to the 43 Ready Made Audio Recordings so you can both profit from selling them online and by mail order or back of the room at live events, but also you will gain the legal right to use the "The Most Powerful, Effective and Versatile" Hypnotherapy Treatment Script ever devised to produce your own (voiced by you) unique Hypnotherapy Recordings for anything and everything you could possibly ever think of from A through to Z.

And of course you can use these recordings to give to clients at the end of their session as "Homework" to listen to after their personal session with you.

By Simply telling them whilst in Hypnosis that:

"Whenever you listen to the audio recording that I will give you, each and every time you hear my colleagues voice speaking to you on the recording it will prove to be just as powerful and just as effective as if it was me talking to you and as if I was sat with you there and then in the same room"

Anyhow Before I reveal the most Powerful and Valuable part of this package here is some more information on the various ready made recordings that will be supplied to you as part of this package.

Oh and Remember Twenty (20) of these come with professional website to help you make money selling these onto other people for big profits.

Together with this "Non Specific" Complete Mind Therapy (CMT) Audio MP3 you will also be supplied the word for word script for the actual treatment so that you may record your own edition of it.

This "Complete Mind Therapy" Audio is worded such that it allows the client/patient to Psychologically fill in certain "blanks" in such a way that it will seem One Million Percent Specific and targeted to their individual issue/problem whatever that may prove to be from A through to Z.

Yes indeed record the script once and you literally have thousands of products to sell, as the way it is worded it can be sold with different names and covers and the clients will think it is 100% specific and targeted to them for the problem/issue they purchased it for.

At Less than \$3.00 for each of the 43 Professionally Recorded Products that come to you with Legal Resale Rights this is the bargain of your Hypnotic Lifetime!

And remember you also get Legal Rights to use the Dr. Jonathan Royle "Complete Mind Therapy" Script to make your own recordings, something that some of the Worlds Most Famous Name Hypnotists, Hypnotherapists and

Television Life Coaches have already done for themselves.

If it's good enough for those who are top of the tree in this industry, then this package (especially the CMT Audio and Script) are good enough for you and could prove to be worth many times their weight in gold to you.

But hurry as this is just a special introductory offer price and will be raised to a more realistic and higher level in the very near future.
