

## **At the Table Live Lecture Chastain Criswell February 17th 2016 video DOWNLOAD**

Chastain Criswell has amassed an incredibly visual and entertaining array of effects through his 20 years of professional performances and is ready to share it with you! From chop cups, ropes, to coins and cards, he's opening the secret doors to teach you magic that will stun your spectators! Some of the effects you can expect to learn include:

Tag - Chastain very first marketed effect. One of the most unusual and impossible ways to locate a signed card in the shuffled deck.

Chop Cup - This routine has been tested in the streets of some of the toughest performance areas and has risen to the challenge!

Intertwine - Three unequal ropes are shown openly then stretched into three equal lengths, then immediately handed out to be inspected.

And much more!
