

## **RERIP by DONAN and ZiHu Team - Video DOWNLOAD**

A new method for performing a classic. Give the audience a card and let them tear it, and finally you restored it. It was an ST&YR (Spectator Torn and You Restored) effect from the mind of DONAN (a member of ZiHu Team).

- The spectator tore the card, you never tore it not even once
- Real tear or rip
- Always a perfect match
- No palm
- Easy to do gimmick (no threads, no plastics, no magnets)
- Easy to perform
- IMMEDIATELY HAND THE CARD OUT FOR EXAMINATION
- Bonus effect included
