

Cartomagia Expert by Raphael Seára (Portuguese Language) - Video DOWNLOAD

On this video Raphael Seára, a brilliant Brazilian magician with more than 15 years of experience, presents great and clean card effects. No sleight of hand or manipulation required.

Os Coringas Caçadores (Hunting Jokers) - The magician asks a spectator to choose a card, sign it and lose it in the deck. Then the magician shows two jokers with different colored backs and he says that the jokers will hunt the signed card. Placing a joker on top and the other below the deck and in one smooth movement, the two jokers find the signed card!

Intuição Perfeita (Perfect Intuition) - A card is freely chosen and coincides with the card the magician left alone all the time in a glass. In addition of that, when everyone thinks that the cards are all the same, the magician shows the deck has no printed letter, it is all white.

Previsão Aberta (Open Prediction) - The magician announces which is the card that the spectator will choose and in order not to influence the choice, the magician asks the spectator to shuffle the deck and then, pass his finger over the cards on the table until one card is chosen freely. No forces, manipulation or suspicious movements, the chosen card matches the announced prediction openly.

Infiltração (Infiltration) - Ten red cards are placed in one hand of the spectator and ten blue cards are placed in the other hand. In a magical command, three cards travel from one hand to other. Counting the red cards, there will only be seven cards, and counting the blue cards, there will be thirteen cards, being three red cards!

Mutação (Mutation) - The magician takes four cards of the same value, for example, the four sevens from a blue deck and in a magic command four cards turn into four kings. Moreover, an amazing thing, their back also have changed!
