

Cubamagic Show by Rafael (Spanish Language only) - Video DOWNLOAD

Rafael Gómez Pérez was born in Cuba - a country that is present in his artistic name (Cubamagic). Nowadays living in Brazil, he has been performing magic in the last 20 years with elegant and astonishing acts. On this video Cubamagic performs powerful close-up, stage and parlor magic pieces with cards, coins and much more:

- 1 - A transposição das 4 moedas (4 Coins Transposition)** - A great close up routine with a transposition of 4 coins on the table.
- 2 - Sempre Três (Always Three)** - The magician opens his hand and shows 3 coins. He clearly puts one of them in his pocket but in his hand, he still has three coins. He repeats this movement many times and always the three coins will be in his hand.
- 3 - A transposição das 5 moedas (5 Coins Transposition)** - Another great close up routine with a transposition of 5 coins on the table.
- 4 - Gigantes da Economia (Giants of Economy)** - A multiplying effect of jumbo coins.
- 5 - Cartas Gêmeas (Twin Cards)** - One spectator shuffles a blue deck and another spectator shuffles a red deck. Then they will freely choose the same card out of their decks.
- 6 - A carta trocada (Changed Card)** - A surprising way to localize a card in the middle of the deck after it has been shuffled and cut.
- 7 - Os Quatro Ases (The Four Aces)** - A beautiful routine of manipulation of the four aces.
- 8 - Predição do Envelope (Envelope Prediction)** - A prediction of a selected card is revealed in an impressive way.
- 9 - O Pêndulo (The Pendulum)** - A surprising way to identify a selected card with a clock.

10 - Cubanak - An original idea to any card, any number.

11 - Água Moderna e Vinho (Modern Water and Wine) - A great version of the classic water and wine.

12 - Ases Cubamagic (Aces Cubamagic) - A beautiful routine with a deck and four glasses.

13 - A carta que some (The Vanishing Card) - A selected card vanishes from the deck and appears when the magician throw the deck above the table.
