

Homing card by Creative Artists video DOWNLOAD

Homing card is a combination between Cannibal card and Homing card routines.

Three cards are chosen by the spectator. The 3 selections are one by one put in the 4 kings, then magically disappear, returning to its own place on the table. At the last phase, all the 3 selections are sandwiched in the 4 kings and vanish at once, then finally appear suddenly on the table again.

Level: Medium

No gimmicks

No gaff cards

Pure sleight of hands
