

Panda Switch Application by Creative Artists video DOWNLOAD

Panda Switch is a very useful move. You can use it as a force, control, color change, switch, or a fake deal in a lot of different routines. It is only limited by your imagination.

In this download you will learn some of the best applications of this move like Force, Control, Switch, Fake Deal, Color Change, and Top Change. You also learn an extremely visual one, Oil and Water, and a favorite card trick called "Magical Pile". Just with a little bit of creativity you can use it for your Sandwich, Wildcard, Ambitious Card, ACAAN, etc.
