

## **Rapid & Instant Hypnotic Inductions Tool Box! - (How To Hypnotize People in Seconds) by Jonathan Royle Mixed Media DOWNLOAD**

By way of nine videos with a total combined duration of just over nine hours of easy to follow step by step training, Jonathan Royle will teach you all of his (until now) most jealously guarded real word, tried, tested and consistently proven to work secrets of speed trance style hypnotic inductions.

You will learn dozens of powerful techniques and the true psychology behind how and why they all work, thus enabling you to then easily, confidently and competently devise and develop your own unique hypnotic induction approaches.

There are methods both demonstrated and taught which will prove ideal for the clinical hypnotherapist, along with those which are more suited to the comedy stage hypnotist, exponents of street hypnotism and even those which would be ideally suited to magicians and mentalists who just want to add a little bit of hypnosis and hypnotic phenomena into their routines.

Methods are taught to hypnotize people whilst they are stood up and also whilst they are sat down, together with ways to hypnotize the entire audience and believe it or not also taught is a very reliable way to get people into a very deep hypnotic trance state within seconds without even saying a single word to them!

Yes you read that correctly you will even learn ways to place people into genuine deep hypnotic trance states within seconds of meeting them and without needing to say a single word to them at any time.

If you've ever seen videos on You-Tube of the kinds of induction methods used by Richard Nongard & John Cerbone (creators of speed trance) or of Justin Tranz, Gil Boyne, Tom Silver or indeed even Sean Michael Andrews, then rest assured that within this package you will learn the true inside secrets of all the methods, techniques and approaches that you will have ever witnessed them use and will after careful study of the nine videos and a little practice be soon getting identical instant and rapid results with all of your hypnotic inductions.

You see just as important, arguably more so than the dozens of hypnotic induction techniques you will learn in a simple step by step manner are the REAL SECRETS OF HOW AND WHY ALL THESE INDUCTIONS METHOD WORK SO

WELL...

Once you truly understand these REAL REASONS (which nobody else is prepared to teach you as honestly as Royle does in this package) you will automatically become a far more powerful, confident, competent and above all else effective hypnotist in all that you do!

This is without doubt the most honest, direct to the point, eye opening and yet hugely educational training package on RAPID & INSTANT HYPNOTIC INDUCTION TECHNIQUES that has ever been released by anybody, anywhere at any time....
