

HYPNOTHERAPY & NLP - (2 Complete Royle Master-Classes) by Jonathan Royle Mixed Media DOWNLOAD

Within this package you will gain access to 11 unique training videos which between them contain just over eleven hours of easy to follow step by step training in all areas of clinical hypnosis, therapeutic suggestion work, hypnotherapy, NLP and related psychological treatment strategies and techniques.

You will become a fly on the wall during two complete one day master classes that celebrity mind therapist Dr. Jonathan Royle ran at the True Serenity Natural Healing Centre in Castleton, Greater Manchester (England).

Indeed you will witness Royle conducting actual treatment sessions on REAL PEOPLE who all have REAL PROBLEMS & ISSUES and all of whom are successfully treated within a single session.

Observing Royle at work and discovering how he structures every therapy session to GUARANTEE SUCCESS is worth its weight in gold to any hypnotherapy or NLP practitioner including those who have been doing it for years...

There are numerous very good reasons why Royle is able to charge dramatically more than the vast majority of other so called "hypnotherapists" for his unique sessions of "Complete Mind Therapy" and all of those reasons are laid bare and exposed in great detail during these master class sessions with the man himself.

Not only does Royle reveal every single therapy treatment strategy and technique that he has ever used on a regular basis, but also he teaches you how to adapt these to each individual client to ensure maximum success in minimum time.

He also teaches you exactly how to start getting a regular stream of high paying clients and ultimately how to start making big money from the world of hypnotherapy & NLP.

The exact pre-talk, suggestibility exercises, hypnotic inductions, deepeners, awakeners and all of his real world, tried, tested and proven to consistently work treatment techniques are all demonstrated and carefully taught in a simple step

by step easy to follow manner within this bumper package.

To say that Royle "thinks outside of the box" would be a massive understatement, the truth is he destroyed the box and then rebuilt it from scratch for maximum stability and success.

Quite simply if you want to become the most powerful, confident, competent and truly successful hypnotherapy and positive psychological change practitioner that you could ever become **THEN YOU NEED TO STUDY THESE VIDEOS AND LEARN FROM A TRUE MASTER...**

These are often unique and truly eye opening, yet **PROVEN TO WORK** approaches, protocols, techniques and strategies, the likes of which you will not find being taught by any of Royle's so called competitors.

Apply what you learn from these videos into your practice and your success is **GUARANTEED.**
