

4 Volume Set of Reading, Billets, Dual Reality and Psychological Playing Card Forces by Peter Turner eBook DOWNLOAD

In **Volume 1** Peter Turner teaches you all the nuances of psychological forces and most importantly how to make it hit every time.

This eBook does not just teach you a simple technique. In this 42 page eBook you are going to learn how to force EVERY SINGLE PLAYING CARD just by using words.

Imagine that you are able to force every single playing card without the use of a deck of cards.

But it does not stop there Peter Turner teaches you complete routines and details on psychological forcing. Peter even teaches you how to force the Joker!

Peter Turner is one of the best mentalists in the world and in Volume 1 he teaches you some of his hidden secrets that has never been released anywhere else.

In **Volume 2** Peter teaches techniques and methods about how to do a proper reading and how to make it as surefire as it can be.

This eBook teaches you techniques of Cold Reading by the master mentalist himself!

Cold reading is a very under-used technique but is still one of the strongest if not the strongest technique in the world of mentalism.

Imagine you walk up to somebody and without any gimmicks or props you are able to give a perfect personality reading to that person. In this eBook you will learn how to do just that!

But that's not all, Peter offers you complete routines that allow you to practice these techniques without any chance of failure.

In **Volume 3** Peter Turner teaches you various techniques and helps you make Dual Reality an easy worker in your repertoire.

In this 62 page eBook you will learn awesome routines that you can go out and perform right away.

No stone left unturned on the subject, every detail is well constructed and very easy to learn.

In **Volume 4** Peter Turner teaches you the easiest and best billet peeks that you can imagine. Whatever information your spectator writes down you will know it and be able to reveal it in any way you want.

Billets is a 76 page eBook and it teaches you the psychology of peeking with many routines.

You can make a complete act only with some billets and a pen. No stone left unturned in this project, Peter Turner teaches you every detail of billet peeking and gives you some awesome routines.

Whether you want to use slips of paper, or your business cards, you'll find methods and advice in this bumper edition of Peter Turner's mentalism course.
