

TiTanic by Zolo video DOWNLOAD

TiTanic is a great visual ring magic trick based on the power given to you by the gimmick.

Vanish your ring

Transform your ring into other things

Vanish your ring to another impossible place

Penetrate your ring inside a spectator's card

It is very simple, very easy to do, always ready, and resets in a second.

These excellent routines will make you fool every one. You will love it!

You won't leave your house without it.
