

## Fire Show by Sérgio Ferrer video DOWNLOAD

The Uruguayan Sergio Ferrer is one of the greatest names in Latin America stage magic and in this video, he presents an amazing conference using techniques with flash materials (flash paper, flash cotton and flash strings).

You will learn with Sergio Ferrer the following effects and issues:

- Triple Prediction - Three correct predictions in an unexpected way
- Toilet Paper in Tie - The first minute theory explanation and a half show
- Flash String in Candle - With every theory that involves the fire using string
- Flash String in Handkerchief - A different and entirely new system, which will also be explained on the theory of fire, as well as size, shape and position of change.
- Ignition Systems Self-Made Express - Pull match, hand lighter and chemical methods
- Color Changing Cane - An interesting idea with flash cotton and paper
- Cut and Reconstituted String
- Negative Positive - A brilliant effect with card prediction and transposition
- Bonus: Special Cards Forces

**IMPORTANT:** This video download is available only in Portuguese.

Duration: 133 minutes
