**Cypher:** In this effect the performer asks one spectator to think of his pin code and another spectator to think of a name. Both the pin code and the name are revealed in a unique way!

**Life Equation:** This effect can be done over the phone anytime. The spectator is invited to create a special number that uses important numbers from his life. He has a free selection that makes a total. The performer is able to reveal that number over the phone.

**Fate-Can:** This effect is a completely clean HANDS OFF ACAAN with a kicker ending that is just genius!
