

## **Pure Mentalism by David Medina (Portuguese Language) video DOWNLOAD**

David Medina is a brilliant mentalist performing nowadays in Brazil.

With Medina you will learn the following effects:

**Kurotsu-KEY** - Five keys are thrown in a bag and mixed, including one which is freely chosen and signed by the spectator. Then you can only with the power of the mind, find the signed key.

**GI-PSY** - An amazing prediction with special cards of pictures and a fantastic ending.

**SUDOKU'S BOOK TEST** - Spectacular demonstration of telepathy with a rapturous climax.

**Tossed IN A BAG** - A deck is fully mixed and released in a bag, which is shaken by mixing the cards even more. A spectator selects a card and secretly puts it in his pocket. Still, you are able to know exactly what the selected card is. Simply spectacular!

**ULTRA PERFECT TEAR CENTER** - This is David Medina's version of the famous "Center Tear", containing an innovative technique, natural and totally clean for the discovery of information!
