Mind Card 2.0 by Catanzarito Magic video DOWNLOAD

"This is FANTASTIC! - I LOVE your method!"
- Dan Harlan

Mind Card 2.0 by Catanzarito Magic is a new mentalism effect that is 100% propless where your assistant can instantly know a thought of card without any strange body positions, weird phrases, awkward gimmicks, etc. Download includes additional effects that Mind Card has evolved from knowing how many coins a spectator has in his/her hand and knowing a thought of number between 1-10.

Mind Card 2.0 can be taught to any assistant in 5 minutes or less! Instant download includes a segment showing an actual teaching presentation to a brand new assistant. Purchase includes both an instant download and a manuscript.

Also, you can now learn how to do this effect with your assistant over the phone!!! Your volunteer names a card and a quick call to your assistant over speaker phone will have them revealing the card and blowing your spectators away!!!

- 100% propless!
- Secretly communicate cards!
- No gimmicks needed!
- Perform the effect over the phone!
- Close to 30 minutes of teaching!
- Teach the effect in under 5 minutes!
- Always be ready to present an awesome effect!
