Ninja style.

Spread the deck and take out the selected card instantly from the middle of the deck like a ninja.

A trick from the pages of Magicseen Magazine. You have read this, now watch it.

Ninja style.

A freely selected card is shuffled back into the deck which is then ribbon spread widely across the table. With a fast sweeping movement of his hand across the spread cards, the magician manages to pull the selection instantly out of the middle of the deck.

Like a ninja.

Level: Easy
