

## Genie by Kevin Parker video DOWNLOAD

When you uncover the mouth of the bottle, the bottle starts moving as if you stirred up a genie inside. Must-see video.

- No use of thread, loops, ITRs, wires, or anything similar
- Ideal for closeup, street or anywhere there's a surface
- No special environmental or surface requirements
- No magnets
- Extremely easy
- Can use borrowed bottle

Suitable for stroll-around and street magic if there is a surface nearby. Instant download tutorial video by Kevin Parker.
