

Penetration by Arnold video DOWNLOAD

Welcome to **Penetration**. Imagine you have a card and a bill to show your spectator. You fold the bill, and then visually make the card penetrate the bill, right in front of your spectator's eyes.

FEATURES:

1. The gimmick is easy to construct
2. Very quick and visual
3. Any time, any where
4. The bill can be handed out for examination and there is nothing to be found
