

## **Royle's Reveals Hypnosis Secrets 9 - Hand Wave & Hand Shake Hypnotic Inductions by Jonathan Royle Mixed Media DOWNLOAD**

Hypnotist Jonathan Royle reveals to you every nuance of this tried, tested and consistently proven-to-work technique for rapidly placing people into a genuine hypnotic trance state in seconds. He does this by way of two easy-to-follow, step-by-step training videos, and a direct-to-the-point training manual.

These are two methods that, whilst entirely possible to use on complete strangers (once you have a nerve of steel), are best used on people who indicate that they have been hypnotized before.

Both of these methods are what look like, and indeed are, instant hypnosis where the person is "hypnotized" in a matter of a second or two.

You will also gain free bonus access to three complete home study course manuals covering all areas of NLP, hypnotherapy and, of course, comedy stage hypnosis and street hypnotism.

These **Royle's Reveals Hypnosis Secrets** packages (18 different ones are available) will also give you an insight into Royle's unique style of hypnosis training. This can be quite helpful before you make the wise decision to invest into his more comprehensive packages and products.

The techniques taught are ideal for stage, street and even clinical hypnosis applications. They are extremely easy to master, thanks to Royle's unique manner of instruction.

You will also get a bonus video, teaching several verbal suggestibility tests.

A real bargain at just \$4.00!
