

## 21 by Paul Voodini eBook DOWNLOAD

**21** is a fascinating reading and character analysis system for mentalists, mind-readers and magicians based around the card game, Blackjack. It is a mesmerizing game of fate and fortune that combines the cool world of the casino with the intriguing feats of the psychics. With the **21** system, you will decipher the character, understand the person, and foretell their decisions!

**21** is a fun and versatile system, equally at home with both in-depth one-to-one readings and more entertainment-based group readings and character analysis. Everyone enjoys the occasional gamble, and with the **21** system, the choices they make and the gambles they place reveal to you their character, their past, and their future.

Hit or stand? It's your choice!

The **21** system utilizes nothing more than an ordinary deck of cards, but is quite unlike any other reading and analysis system you will have encountered before. The system can be used in a traditional reading sense, or in a character analysis format.
