

Four Card Fooler by Paul Gordon ATT Single video DOWNLOAD

The perfect attention-grabbing opener! Paul Gordon's **Four Card Fooler** is a perfect lead-in for all of your close-up magic performances. A packet trick that truly packs small and plays big with multiple moments of magic throughout.

Show four Kings face up - turn them face down to reveal their blue backs. One King has turned face up! Run through the packet to show a second King now face up. And a third. And a fourth. But that's not all! Turn them face down once more to reveal that all of the backs have now turned RED!
