Instantly remove an entire deck of cards from the box without ever opening the box!

Show a box of cards in your hand. Lift the box, and there's nothing in your hand. With a quick movement, suddenly the cards appear in your hand. This looks great!

- This effect is very easy to do.
- No need for additional tools.
- No gimmick required.
- Everything is examinable after the effect has been performed.

This is an impromptu and surprising effect.
