

NyctoPHile by PH Ontheroof and Nonplus Productions - Video - DOWNLOAD

One moment, a pack of cards - the next moment, the cards are encased in their box!

The perfect NO GIMMICKS opener/closer to add to your card routines. Hit them hard!

From the book "Philia" by the creative powerhouse PH comes an effect so good it had to be taught on video! **NyctoPHile** is a NO GIMMICKS appearing card box that is as VISUALLY STUNNING as it is EASY TO DO.

Taught by the man himself, you'll learn how to do this effect in minutes. It's the perfect opener, requires VERY LITTLE SETUP, and can be ready to go in your pocket at a moment's notice. Use it as the perfect OPENER/CLOSER to your card routines. You have everything to gain with this brilliant effect.

Download the video and learn **NyctoPHile** TODAY!
