

Penetrate Location by Jason Smith - Video - DOWNLOAD

A Close-Up Miracle! A coin penetrates the card box and finds the signed card!

A card is signed and lost back in a deck of cards. The cards are put into the box and sealed. A coin is introduced. You wave the box over the coin and, suddenly, the coin disappears. The cards are removed from the box, and the vanished coin is found inside the deck resting right on top of the chosen card!

Download the video and learn how to perform this mystifying effect.
