

The Rev by Fenik - Video - DOWNLOAD

This effect is straightforward and eye-poppingly visual: four Jacks turn face down visually one at a time, and finally have their faces change from Jacks to Aces. Its method is highly ingenious. In fact, it's so much fun to watch, you'll want to stay in front of the mirror doing it again and again!

Best of all, it leaves your spectators' mouths hanging wide open in stunned disbelief!

Download the video and learn to perform this great routine.
