A rising star in magic, **Josh Janousky** has earned a reputation for sharing material that is both extremely clever and highly workable. Josh's magic can be found in the working repertoires of many industry legends and has been tested in real world situations thousands of times! At just 27 years old, he has taken the world of magic by storm and shows no signs of slowing down. Let us welcome **Josh Janousky** in this unique, never-to-be-repeated experience **At The Table!** Some of the things you'll learn:

IG: Josh's hit Instagram prediction with new handlings and ideas. Predict anything about your spectator, months in advance.

Play-Dough: An impromptu, angle-proof Pen Through Bill that can be performed with borrowed objects.

Billuminati: Instantly know the city where a borrowed bill was printed, without ever looking at it!

Prevail: A Triumph variation for the strolling performer. It's easy to do, but it makes you look like an expert at the card table!

Revise: Is it a switch? Is it a color change? Can it be signed? Yes, yes, and yes! This is a fan favorite, and the method will make you smile.

Blatant Peek: The world's easiest card peek and the world's easiest control. This versatile move will go straight into your sleight-of-hand toolbox.

Ninja Coins Across: An easy Coins Across inspired by the work of Jay Sankey, Greg Wilson, and Homer Liwag.

Twisting the Aces with a Twist: Twisting the Aces meets Sandwich. A selected card magically appears in-between the four Aces. Your spectator will be astonished!

...Plus, MANY more!
