The Vault - Post-In by Victor Sanz - Video - DOWNLOAD

Victor Sanz's underground sticky note routine has finally surfaced!

A spectator signs their name on a regular sticky note. The note is destroyed in front of their eyes, yet reappears back in the center of the sticky note pad! The signed note then rises to the top of the pad under test conditions and is given away to the spectator as a souvenir. It's T&R, it's ambitious, it's simple to do and easily fits into your pocket!
