

## **README by Parlin Lay - Video - DOWNLOAD**

Imagine if you had the power to control your audience's mind... to make them do what you want them to do. Here's a unique version of the classic "Which Hand" routine - this time, it's performed in REVERSE. It is not you guessing where the coin is - it is your audience instead! They guess WHERE it is, and whether it's heads or tails!

### **IMPORTANT POINTS**

- It can be performed with or without gimmick
- Easy to do
- Suitable for close-up or stage

Download this video and learn how to make your audience the mentalist!
