

## **Royle Road to Magical - Mentalism & Hypnotic Riches by Jonathan Royle - Mixed Media - DOWNLOAD**

Within this 30-minute video download, Royle gets straight to the point and reveals to you the simple step-by-step methods you can use to create multiple streams of passive income. Using these techniques, you can earn money from your magical, mentalism and hypnotic skills on auto-pilot 24 hours a day, 365 days a year.

These techniques, when put into action, can help you earn more money whilst you are asleep at night than many performers are able to earn whilst they are awake.

You will discover how to easily and pleurably achieve the above. These include:

- Lazy man's way to write and profit from your own book
- Further easy book-writing strategies and Kindle eBook profits
- How to get your book available from book stores world-wide
- Even more free ways to profit from your content and ideas
- Automated profits from audio books and physical CDs and DVDs
- Massive profits from webinars, online coaching, and live events
- Strategies to help sell your skills and talents on auto-pilot

These approaches will also help get your name known more widely whilst also generating more demand for the services you offer.

Download this video and eBook, and learn how to create your income stream!
