

SNAP (Clean Up Routine) by SaysevenT - Video - DOWNLOAD

Change one card to another by just snapping the card. It's visual and happens in the blink of an eye!

This **SNAP** is based on a common technique of magicians -- just flick a finger and it's done!

This **SNAP** change is a favorite trick, especially among beginning card magicians.

The **SNAP** change kills your audience when it is executed perfectly.

Bur how do you do it perfectly?

For that I present SNAP (Clean Up Routine).

In this download, I teach you how to perform the **SNAP** change properly and perfectly using a special routine that you'll be taught.

To find out what the routine is like, please see the demo above.

Download the video to learn this amazing card change.

Time for improvisation begins.
