

Blank Card Surprise by Wolfgang Riebe - Video - DOWNLOAD

WACKY, INCREDIBLY VISUAL & TOTALLY IMPOSSIBLE! Only a few words can de-scribe this reputation maker. Ever wondered what to do with those double blank cards you've collected over the years? Here's the ultimate trick for you.

A spectator can chose any 4 double blank cards from a deck, or you can hand out 4 cards for inspection. ANY one card is signed and placed aside. The remaining 3 cards ALL change to the spectator's signed card and can be clearly shown ONE AT A TIME. In the end, they all become blank again and the spectator keeps their original signed card as a souvenir.
